Finish Addition To Waterworks In Town Of Pahokee

The newly completed \$200,000 addition to the Pahokee waterworks was cut into the main system Saturday increasing the capacity of the plant from 300 gallons of water a minute to 700 gallons.

New equipment included in the addition consists of two large filter beds, a modern settling tank, service pump, recarbonation units, three sludge beds, a 100,000-gallon high lift tank located in the Pelican Lake area and a 20,000-foot extension of water mains complete with fire hydrants.

Additions to the old plant building includes a 30 by 40-foot room for the new filter beds, a 16 by 24-foot room for use as a chemical feeder room and storage space and a new laboratory and office.

The work on the waterworks expansion program was started last spring by the Ivy Smith Construction Company, general contractors. The water main extension was handled by the John Reinston Construction Company of Miami. Present at the cutin Saturday were Dr. A. P. Black, of Gainesville, vice president of the American Waterworks Association, M. Moya of Jacksonville, manager for the Ivy Smith Company and a representative from Smith and Gillespie, waterworks engineers of Jacksonville, who drew the plans for expansion and supervised the construction.

The new addition enables the Pahokee waterworks plant to furnish efficient service to all sections of the city, provide higher water pressure and easily meet the heavy seasonal demands of packing houses, according to R. J. Schroder, waterworks superintendent.

Mrs. McDowell Dies In Pahokee

Mrs. Amanda B. McDowell, 63, pioneer resident of Pahokee, was found dead in her home on Bacom Point Road Tuesday around 7 p. m. after neighbors became alarmed when they did not see her through the day and no lights were turned on in the evening. Police Chief Altman E. Morgan forced his way into the house and found the body lying on the bathroom floor. She had evidently died of a heart attack Tuesday morning soon after arising, according to the examining physician.

Mrs. McDowell, widow of the late Sidney McDowell, was a native of Kentucky and spent most of her young womanhood in North Florida. She came to the Glades area in 1917, living first at Moore Haven and then in Okeelanta before coming to Pahokee.

Mrs. Robert Collins of Umatilla, a niece, was notified immediately of her passing. Other survivors include nieces, nephews and cousins. Funeral arrangements will be announced by Berry's Funeral Home.

Gladys Campbell of Clewiston underwent a tonsillectomy at the Everglades Memorial Hospital on Wednesday.

Fat Cattle Show Is Being Planned For Glades In April

Officials of 11 South Florida counties are being invited to a dedication of the new agricultural exhibits building, now approaching completion at the state's experiment station at Belle Glade. Date of the dedication has not been decided.

It was announced at Monday's county commission that the building will serve farm exhibit needs of Dade, Broward, Palm Beach, Lee, Hendry, Glades, Martin, Okeechobee, Highlands, St. Lucie and Indian River counties.

Plans for a fat cattle show there April 15 were revealed by H. L. Speer, an assistant Palm Beach county farm agent. All cattlemen's associations of the 11 counties have been invited to put entries in the show.

There will be a special section for registered Angus-Brahmas, Herford and Shorthorn cattle with special emphasis on beef grown on 'Glades grass,' with minerals, molasses and some other feed as supplements.

Four H club boys will be eligible to show beef and dairy calves. The new state building also will be used for all kinds of farm exhibits.

Formation of six boys' 4-H clubs in Palm Beach county was reported by John H. Causey, another assistant county farm agent. The new clubs, with 97 members, are in Lake Harbor, South Bay, Loxahatchee, Greenacres, Jupiter and the Military Trail district.

County Officials In Attendance At Pahokee Rotary Club Thursday

Members of the county commission and heads of various departments in county government were featured speakers at the Pahokee Rotary club yesterday with Commissioner Rardin in charge of the program. County business, county improvements, the Bacom Point Airport and new Bacom Point Road were among the matters discussed by the officials.

County Commissioners in attendance were: Vice Chairman Lake Lytal, West Palm Beach; and Commissioner-elect Kenneth Foster of District one. County Attorney Harry Johnston and his assistant, Henry Lillenthal, were present as was Commission Secretary R. B. McKee.

County Engineer J. M. Boyd told members of the club about the new Bacom Point road, survey of which is now under way. Mr. Boyd among other things also spoke briefly on advantages of the new Bacom Point airport on which the Civil Aeronautics Administration gave the "go ahead" signal on Tuesday of this week.

County Aviation Director L. E. Hickam spoke interestingly of the development of Palm Beach International Airport. Ed Seabrook, head of the county's mosquito control district, used his allotted time in bringing the crowd up to date on control of the pesky things. He pointed out the scientific manner in which mosquitoes have been brought under control in the county.

County Agent M. U. Mounts and his two assistants, H. L. Speer of Belle Glade and J. H. Causey of West Palm Beach represented the agricultural end of county work. Mr. Speer spoke briefly on the prospects of the fat cattle show in the Lake Region. Miss Sara Horton and her assistant, Mrs. Mildred Michaud, represented the home demonstration department of the county. Miss Horton told members of the club of advantages of canning plants as operated by the county.

Dr. W. E. Van Landingham, county physician and directing head of the county welfare department, cited results from clinics held regularly in the Glades area. Mrs. Mildred Schoeppe, county welfare worker in the Glades section, attended with Dr. Van Landingham. Dr. Burton Austin, director of the recently organized county health unit spoke in glowing terms of the cooperation received in the recent TB X-Ray survey in the county.

Mr. Lytal, who was general chairman of the recent X-Ray survey in the county, spoke interestingly of this work. He talked about the four million dollar TB hospital to be built at Lantana. He cited the fact that Palm Beach county commissioners played a vast part in securing this institution for this section of the state. "We are indeed fortunate to have it located in 'Palm Beach county,'" he concluded.

J. K. Baker, road superintendent in the Glades district of Palm Beach county; M. I. Keen, president of the Pahokee Lions club; Emmett Roberts, past president of Belle Glade Lions and present deputy district governor of Lions International, and Ralph Freeman, president of the Belle Glade Rotary club were also invited for the special occasion.

All of the guests were presented with packages of delectable Glades vegetables from the Mackey Produce Company packing house where they started their return trip to West Palm Beach.

Funeral services will be held Sunday afternoon for William Baker, son of Mr. and Mrs. W. A. Baker of Canal Point, who died in active service during the war. The body will arrive in Clewiston on Saturday where Berry Funeral Home in Pahokee will take charge of it.

Graveside services under direction of the Canal Point American Legion Post will be held at Port Mayaca at 3 p. m. Sunday. Officials of the Post said yesterday that the funeral will be a complete military one sans firing squad. Services will be conducted through out by the Legion with Rev. Elmo Scoggin of Canal Point reading the scripture and offering a prayer.

Brannon Named Williams' Aide By County Commission

The county commission on Monday named attorney L. H. Brannon of Delray Beach as assistant to Solicitor-Elect T. Harold Williams.

The commission accepted, with praise for their "fine service" resignations of P. C. Reese, present assistant county solicitor, and Mrs. Ruby Rowe, court reporter for more than 20 years.

Following annual custom, com-

mission employees will get their December pay checks Dec. 20 so they can use the money for Christmas shopping.

These appropriations were made from publicity funds:

Toward helping W. E. Compton Camp 14, United Spanish War Veterans erect a memorial to Spanish War veterans on its Okeechobee road plot in West Palm Beach, \$300. W. E. Kavanaugh, chairman of the memorial committee, wrote that the memorial, the only such in the state, will cost \$6,000, most of which the veterans have raised among themselves.

For the regatta Dec. 31, appropriation of \$300.

To the resources development board for publicity, \$2,500 that was budgeted some time ago.

The commission appointed Mr. Helen Potter, West Palm Beach, as assistant to Mrs. Nelle Smith, county probation officer, at salary of \$175 a month plus car allowance. Her appointment is effective Jan. 1.

Steps toward developing Lake Ida and surrounding lands west of Delray Beach into a county park were taken by the commission at Monday's meeting.

It instructed County Engineer Jake Boyd to make a survey of grades and levels for building an access road to the lake.

Delray Beach civic groups, with Jack Moore, lawyer, as their spokesman, asked for the work, saying southern Palm Beach county has no county park facilities.

Advertising for bids for building approaches to the new Eighth st. canal bridge at Delray Beach was voted by the commissioners.

An air show will be staged at Palm Beach International airport Jan. 15 or 16, immediately after the Miami air show, it was announced.

Rev. Howes will use as the Christmas message next Sunday Morning the theme "If Every Day were Christmas." The Senior Choir under the direction of Glenn Abbling will sing the Special Christmas Anthem "Come and Worship" by Lorenz. This service will be broadcast over the facilities of Radio Station WSWN.

The evening service will be a presentation of a Candle Light Service of Christmas carols, solos, duets, quartets, readings, poems and instrumental with organ and piano.

Phone Company Is Target For Carter's Ire In Hearing

JACKSONVILLE — A state official last week criticized the Southern Bell Telephone and Telegraph Company for basing its rate increase request on rising costs of labor and materials. The criticism came from Jerry W. Carter, member of the State and Public Utilities Commission, conducting the phone company's hearing into the request.

James D. Porter, of Atlanta, Southern Bell's general toll, traffic supervisor, had just testified that wage increases given traffic employees following the 1947 strike amounted to 9 per cent.

Carter said: "It is very evident that you people are inclined to blame your increased cost of operations on organized labor. What you are trying to do is to relegate labor into the category of the untouchables and I do not think it is fair."

Porter denied this, saying the company's relations with labor were pleasant. John Boykin, of Atlanta, one of the company's attorneys, then asked Porter if all employees, regardless of union affiliation, did not get pay raises and Porter said they did.

Mr. and Mrs. G. Lawton Sims will have as holiday guests their daughters, the Misses Jane and Louise Sims of Atlanta.

Miss Betty Speer, laboratory technician student at Charity Hospital, New Orleans, is expected to arrive in Pahokee this weekend to spend the holidays with her parents, Mr. and Mrs. H. L. Speer.

Mrs. Maxine Joyce will spend the holidays with her son and daughter-in-law, Mr. and Mrs. Talton Joyce, in Vero Beach.

Mrs. Cecil Rogers and daughter will return this weekend to their home in Arkansas after a visit with Mrs. Rogers' daughter, Mrs. Calvin Peacock, and family in Pahokee.

Howard Holman is recuperating from an appendectomy performed at the Everglades Memorial Hospital Tuesday.

From where I sit... by Joe Marsh

The Missus "Ducks" Out

Slim Hartman took his missus duck hunting the other day. And after five hours of sitting in a swamp, she'd had enough! Going home, Slim reminded her good-naturedly of the time she'd taken him to a woman novelist's lecture, and insisted that he sit it out.

So now the missus and Slim have an understanding. No more duck hunting for her—no more lectures for him. They decided each to his own taste.

It's because they can agree to disagree like that, I think, that

Slim and the missus get on so well—content to stay home nights together, enjoying one another's company over a glass of beer and a game of chess.

From where I sit, we can't all enjoy the same things—but we can share those little pleasures that we do enjoy—a glass of beer; a game of chess, some music on the radio—and live-and-let-live when it comes to the others.

Negro Woman Shot To Death Monday

Unrequited love led to the death of one negro woman and to the severe stabbing of another in this area Monday morning.

Henry Malone, 25-year-old negro, entered the room of Blanche Swain at the Streamline on Muck City Road around 10 a. m. Monday and shot her six times in the chest with a .22 caliber rifle, killing her instantly. Swain then fled and disappeared into a nearby cane field. A group of officers, led by Constable Francis Cross, searched the cane brake with bloodhounds Monday afternoon and night without success. Malone gave himself up Wednesday at 1 p. m., and was taken Thursday morning by Constable Cross to the county jail in West Palm Beach.

Earlier the same morning Bobbie Lee Lenard encountered his estranged wife, Marie Lenard, in a bean field and assaulted her with a pocket knife, cutting her face and stabbing her several times in the body, then started beating her with a bean hamper, according to Constable, Cross who investigated the case and placed Lenard in the city jail at Pahokee. The young negro woman was taken to the Everglades Memorial Hospital for treatment.

Mrs. Helen Potter of West Palm Beach, a member of the Salvation Army, explained plans for the 26th annual county-wide distribution of Christmas baskets to needy families to members of the Pahokee Woman's Club at a meeting in the clubhouse Tuesday night. CHURCH OF CHRIST, SCIENTIST
"IS THE UNIVERSE, INCLUDING MAN, ENVOYED BY ATOMIC FORCE?" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, December 19.

The Golden Text is: "The Lord hath prepared his throne in the heavens; and his kingdom ruleth over all" (Psalms 103:19).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "In the beginning was the Word, and the Word was with God, and the Word was God. . . All things were made by him; and without him was not any thing made that was made" (John 1:1, 3).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "CREATOR. Spirit; Mind; intelligence; the animating divine Principle of all that is real and good; self-existent Life, Truth, and Love; that which is perfect and eternal; the opposite of matter and evil, which have no Principle; God, who made all that was made and could not create an atom or an element the opposite of Himself" (583:20).

James T. Landon Hotel Commissioner

JACKSONVILLE — James T. Landon, 36, Jacksonville realtor and former hotel public relations director, will be state hotel commissioner under Governor-elect Fuller Warren. The next governor announced last week the appointment of Landon to succeed J. Lec. Ballard of St. Petersburg in the \$8,000-a-year post.

Landon served with Warren in the Navy. He was a lieutenant on an ammunition ship and served in both the Atlantic and Pacific. He attended the University of Illinois, the University of Edinburgh in Scotland and is a graduate of the University of Florida.

"Having served on the same ship with Jim during the World War II, I know he is a man of outstanding courage and sound judgement," Warren said. He attributed to Landon "a thorough knowledge of every part of Florida, having traveled with me during my campaign into every community in the state."

Birthday Surprise For Miss Caraway

Members of the Philathea Class, First Baptist Sunday school, entertained Friday with a surprise party honoring their teacher, Miss Elizabeth Caraway, on her birthday anniversary. The hostess committee in charge of arrangements included Mrs. Wiley Tillis, Mrs. H. J. Clause, Mrs. L. G. Alderman and Mrs. Carlton.

The old Cherry Tree carol, or the legend upon which it is based, is undoubtedly the reason for the custom of placing a branch of cherry tree in water to bud for Christmas time.

According to this legend, Mary and Joseph on their way to Bethlehem passed a tree loaded with cherries. Mary was hungry for some of the fruit and asked Joseph to pluck some cherries for her. The tree graciously bowed down so that Mary could pick the fruit herself.

It has been customary among the Czechs and Slovaks to take the branch of a cherry tree and place it in water in the late fall so that the buds reach the blossoming stage at Christmas time.

The belief was current that if the sprig blossomed by Christmas Eve, the girl who tended it would marry during the New Year.

Our Most Famous Christmas Trees

Most famous of the nation's Christmas trees are growing on the wooded rolling acres of the Roosevelt estate at Hyde Park, N. Y. Developed as a result of a hobby which occupied much of the late President Franklin D. Roosevelt's spare time, the groves of Yule trees now are scattered on odd patches and parcels of land throughout the estate.

The trees, about 270,000 in number, are principally of Norway spruce, white spruce and Douglas fir, with a few balsams also included.

Although the tree growing was a hobby with the late president, he insisted that the project pay its own way. Consequently about 2,000 to 3,000 trees are marketed every Christmas season.

Cinematic Chatter

By Malcolm Millar

John Ford's glorious drama of the Frontier's fighting men, and the women who made them heroes "Fort Apache" is to be screened at the Prince Theatre, Sunday-Monday of this week with John Wayne, Henry Fonda and Shirley Temple as the stars, and a huge cast of stars and featured players headed by Ward Bond, George O'Brien, Victor McLaglen and Anna Lee.

"Fort Apache" is a mighty motion picture, throbbing with lusty laughter, the crimson courage and the anxious hearts of the gallant band who little knew the deathless glory of their inspired deeds. This picture depicts the action on 1870 America's explosive Western rim! Lusty, laughing calvarymen, fighting against the red man's fiercest tribes . . . as loyal women . . . love and wait!

You'll enjoy every moment of this stirring picture and cherish it as one of the finest moments of your entertainment memories. See you at the movies—Mal.
